Introduction to the Custom Post Type Add-On

Thank you for purchasing Wishlist Member WooCommerce Plus – Custom Post Type Add-On!

Wishlist Member WooCommerce Plus plugin integrates Wishlist Member and WooCommerce and allows you to create and add products to unlimited number of membership levels and / or paid posts when using the pay-per-post feature.

Important Note:

The purpose of Wishlist Member WooCommerce Plus plugin is **NOT** to protect WooCommerce products to be visible by members only, but to sell membership levels and / or pay-per-post content, while enjoying the advantages of the WooCommerce Platform.

The Custom Post Type Add-On integrates Wishlist Member with any custom post type and allows you to sell custom post types individually using the WooCommerce platform.

Complete Activation Process Summary in 5 Steps

Follow the steps below to have Wishlist Member WooCommerce Plus activated and fully function on your membership site.

Detailed information about each step will be given further down this manual:

Step #1: Add-On License Activation

The Custom Post Type Add-On does not have a zip file, just copy the license key from the purchase receipt sent to you by mail and paste it inside the Wishlist Member WooCommerce Plus plugin > under the Add-Ons tab.

Step #2: Enable the Relevant Custom Post Types

Go to Wishlist Member Settings tab > Custom Post Types and enable the relevant custom post types

Step #3: Define Wishlist Member Settings

Click to edit the custom post type > Scroll down to the Wishlist Member Meta box > Enable the pay-per-post setting

Step #4: Create the Membership Product using the Custom Post Type Add-On

Go to WL Extensions menu > Wishlist Member WooCommerce Plus > Membership Products tab > Choose the relevant custom post type and click on the Create Product button of the relevant post.

The table will only display the list of custom post types after you enable pay-per-post (as explained in Step #3).

Step #5: Edit & Publish the Membership Product

After clicking on the Create Product button, a membership product will be created automatically. Click Edit to edit the Product Data settings and publish the product.

The correct Wishlist Member SKU will be automatically inserted inside the WooCommerce settings.

Step #1: Add-On License Activation

The Custom Post Type Add-On does not have a zip file, just copy the license key from the purchase receipt sent to you by mail and paste it inside the Wishlist Member WooCommerce Plus plugin > under the Add-Ons tab.

Your license key

FAQS

What version of WooCommerce plugin I need in order the plugin?

You will need to use WooCommerce version 2.3 and higher

Can I use only the Custom Post Type Add-On without the plugin Wishlist Member WooCommerce Plus?

No, the Custom Post Type Add-On is an addition to the main plugin, you must also purchase Wishlist Member WooCommerce Plus for the add-ons to work.

Does the plugin have any conflicts with other plugins?

As far as we know, the plugin does not conflict with any other plugin. Wishlist Member WooCommerce Plus and all its add-ons keep a very strict code method so the chances that it's causing any problem are very low. If you have any problems or conflicts, please contact the support department.

Does the plugin integrate with every membership site platform?

No, Wishlist Member WooCommerce Plus is a Wishlist Member dedicated plugin.

I have more questions and I haven't found my answers, how can I contact you?

If you haven't found your answers in the product's page and in the guide, please contact our support team and we will get back to you shortly

About HappyPlugins

HappyPlugins was established in 2010 to develop plugins and extensions for the WordPress platform.

The majority of the plugins are developed as white label according to our clients' specific requirements.

In late 2010 we opened a new branch under HappyPlugins for developing Wishlist Member dedicated plugins called Wishlist Member Developers.

Our team here at Wishlist Member Developers develops commercial and custom plugins for the Wishlist Member platform.

Expertise

Our expertise includes:

- In depth knowledge and understating in the web industry
- UXI design and improvement
- Experience in traffic and media buying for large companies
- Subscription-based marketing and retention
- Conversions and flow design optimization
