# Introduction to EDD Single Downloads Widget

Thank you for purchasing EDD Single Downloads Widget!

EDD Single Downloads Widget allows you to add unique widget to display specific information about each single download.

This information changes dynamically from one single download to another and it can display any type of information you want, for example, to display links to important information such as: documentation, video tutorials, manuals, testimonials etc.

Managing your single downloads' information is simple and is done using only 2 settings:

**The Single Download Meta Box** - The Meta box is found when editing the download

**The Sidebar Widget** - Just add the widget to the relevant sidebar and the content will be displayed for each download specifically according to the information found in the Meta box

# Complete Activation Process Summary in 5 Steps

Follow the steps below to have EDD Single Downloads Widget activated and fully function on your membership site.

Detailed information about each step will be given further down this manual:

## **Step #1: Plugin Download**

Download EDD Single Downloads Widget Core plugin zip file from the Purchase Receipt you received to your email.

## **Step #2: Plugin Installation & Activation**

Install the plugin just like any other WordPress plugin from the Plugins menu > Add New.

## **Step #3: License Activation**

Activate the plugin's license using the license key you received to your email and that can be also found in your account at <http://happyplugins.com/your-account/>

## **Step #4: Adding the Information to Each Single Download**

To display specific information for each single download all you need to do is enter the Edit Single Download page > Go to the EDD Single Download Widget Information Meta box > Add the relevant information > Check the "Activate Single Download Widget" box > Click Update.

## **Step #5: Add the Widget to the Relevant Sidebar**

After you have added the Meta box information for your chosen downloads, in order for them to be displayed all you need to do is add the EDD Single Download Information widget to any sidebar.

## Step #1: Plugin Download

Download EDD Single Downloads Widget plugin zip file from the Purchase Receipt you received to your email as seen in the screenshot below:

## Step #5: Add the Widget to the Relevant Sidebar

After you have added the Meta box information for your chosen downloads, in order for them to be displayed all you need to do is add the EDD Single Download Information widget to any sidebar as seen in the below screenshot:

# FAQS

## What content is displayed if there is no information in the Meta box?

If you don't add any information to specific downloads then no information will be displayed when entering them.

## Can I add the widget to any sidebar?

Yes, you can add the widget to any sidebar supported by your theme, the only requirement is that the specific sidebar is displayed in the Single Download template. This is defined by your theme developer or by your theme's settings.

## Does the plugin have any conflicts with other plugins?

As far as we know, the plugin does not conflict with any other plugin. EDD Single Downloads Widget keeps a very strict code method so the chances that it's causing any problem are very low. If you have any problems or conflicts, please contact the support department.

## Does the plugin integrate with every membership site platform?

No, EDD Single Downloads Widget is a Wishlist Member dedicated plugin.

## I have more questions and I haven't found my answers, how can I contact you?

If you haven't found your answers in the product's page and in the guide, please contact [our support team](#) and we will get back to you shortly
