

# Important - Before You Go Over the Guide

Wishlist Member Easy Digital Downloads Integration Plugin was developed to integrate Wishlist Member and Easy Digital Downloads to allow you to sell membership products.

**Wishlist Member Easy Digital Downloads Integration Plugin can be used for 2 scenarios:**

1. **Local Membership Products** - Easy Digital Downloads & Wishlist Member are installed on the EXACT same domain and WordPress installation
2. **External Membership Products** - Easy Digital Downloads & Wishlist Member are installed on SEPARATE domains (different WordPress installations)

**To get to the part of the guide relevant for you, please answer the below question:**

Are Your Easy Digital Downloads Store and Wishlist Member membership site installed on the exact same domain and WordPress installation OR are they installed on different domains?

# Introduction to Wishlist Member Easy Digital Downloads Integration Plugin

Thank you for purchasing Wishlist Member Easy Digital Downloads Integration Plugin!

Wishlist Member Easy Digital Downloads Integration plugin integrates Wishlist Member and Easy Digital Downloads and allows you to create and add products to unlimited number of membership levels and / or paid posts when using the pay-per-post feature.

## **Important Note:**

The purpose of Wishlist Member Easy Digital Downloads Integration plugin is **NOT** to protect Easy Digital Downloads products to be visible by members only, **but to sell** membership levels and / or pay-per-post content, while enjoying the advantages of the Easy Digital Downloads platform.

When using the Wishlist Member Easy Digital Downloads Integration plugin, without the "External Membership Sites Add-Ons Bundle", you can sell local membership products which are on the same site as your online store, meaning: Easy Digital Downloads and Wishlist Member are on the same WordPress installation.

The membership product creation is done in one simple click and no unnecessary steps are required, which will save you time and make the integration seamless.

# Complete Activation Process Summary in 5 Steps

Follow the steps below to have Wishlist Member Easy Digital Downloads Integration Plugin activated and fully function on your membership site.

Detailed information about each step will be given further down this manual:

## **Step #1: Plugin Download**

Download Wishlist Member Easy Digital Downloads Integration Core plugin zip file from the Purchase Receipt you received to your email.

## **Step #2: Plugin Installation & Activation**

# Step #5: Adding Membership Products

Before you can start creating new membership products, make sure you have setup the membership levels and / or pay-per-posts inside Wishlist Member settings.

To create new membership products follow the next steps:

1. Go to the Membership Products tab > choose the type of protection you want to add membership products to: Levels / Posts / Pages > Click on Create Product.

## Adding Membership Products to Levels:

All membership levels you have created will automatically appear in this table:

**Step #1:**  
Make sure you are on "Levels" option

Level Name	Level ID	Product Name	Status	SKU	Actions
Level 1	1426531337	Membership Product For Level 1	Publish	wlm1426531337	Edit
Level 2	1426531338	Membership Product For Level 2	Draft	wlm1426531338	Edit
Level 3	1426531339	Membership Product For Level 3	Publish	wlm1426531339	Edit
Level 4	1444738003	---	---	---	Create Product

**Step #2:**  
Click on the button to create a new product

**Step #3:**  
Click Edit to go to the product page and publish your product

## Adding Membership Products to Posts Protected under Pay-per-post:

The same goes for adding products to posts that are protected under the pay-per-post protection. All posts that are protected under the pay-per-post protection will automatically appear in this table.

**Please note:** Only posts that are protected under the "pay-per-post" protection will be added to the table.

**Step #2:**  
Click on the button to create a new product

## Adding Membership Products to Pages Protected under Pay-Per-Post:

The same goes for adding products to pages that are protected under the pay-per-post protection. All pages that are protected under the pay-per-post protection will automatically appear in this table

**Please note:** Only pages that are protected under the "pay-per-post" protection will be added to the table.

**Step #1:**  
Make sure you are on "Pages" option

The screenshot shows a dashboard with a navigation bar containing 'Dashboard', 'Settings', 'Membership Products', 'AddOns', 'License Information', 'Support', and 'Other Products'. The main heading is 'Wishlist Member Easy Digital Downloads Plus - Membership Products'. Below this is the section 'Local Membership Products' with a sub-heading 'Create and edit all membership products for this website i.e. Wishlist Member installation that installed on this website.' There are three tabs: 'Levels', 'Posts', and 'Pages' (which is selected). A table with the following data is displayed:

Page Name	PayPerPost SKU	Product Name	Status	Product SKU	Actions
Protected Page 1	payperpost-382	Membership Product For Protected Page 1	Publish	wmpayperpost-382	<a href="#">Edit Download</a>
Protected Page 2	payperpost-385	---	---	---	<a href="#">Create Product</a>

**Step #3:**  
Click Edit to go to the product page and publish your product

**Step #2:**  
Click on the button to create a new product

2. When clicking on the "Edit" link in each of the above tables (Levels / Posts / Pages), you will be redirected to the product's page > Edit your product's details and publish it:

**Step #2:**  
Edit your membership product's details

The screenshot shows the 'Edit Download' interface for a membership product. The main content area contains the text 'This is a membership product for the Level 2' and a warning: 'Please don't change the product SKU as the membership product will stop working'. The right sidebar contains 'Download Settings' (File Download Limit, Accounting Options with SKU 'wlm1', Button Options, Purchase Shortcode) and 'Publish' (Save Draft, Preview, Status: Draft, Visibility: Public, Publish immediately, Move to Trash, Publish button).

**Step #1:**  
You can see that the SKU is already filled in the product automatically

**Step #3:**  
Click here to publish the membership product

3. Test that the integration is set correctly and that a new customer who completes a purchase is added to the membership level / pay-per-post:

To allow test purchase inside Easy Digital Downloads first go to Downloads menu > Settings > Payment Gateways and check the Test Mode and Test Payment checkboxes as seen in the screenshot below:

**Now follow these steps:**

- > Copy the product's page URL and paste it into a new browser (make sure you are not logged in to the site)
- > Add the product to the cart click to checkout
- > Fill in your details using a new email address to create a new user OR an existing email to upgrade an existing user
- > Click on the Purchase button
- > Now you should be redirected to the payment receipt
- > Go to the Members tab inside Wishlist Member plugin and see if a new member was created with the correct membership level / pay-per-post OR if the existing member was upgraded to the new membership level / pay-per-post
- > Check that you received these emails: Purchase Receipt, Your Membership Details

### Experiencing one of these problems?

- The member was not added to the membership level / pay-per-post
- The email was sent, but the login details are missing

# FAQS

## **What version of Easy Digital Downloads plugin I need in order the plugin?**

You will need to use Easy Digital Downloads version 3.0 and higher

## **Can I use only the bundle, without the plugin Wishlist Member Easy Digital Downloads Integration Plugin?**

No, the External Membership Sites & Remote Access Add-Ons are an addition to the main plugin; you must also purchase Wishlist Member Easy Digital Downloads Integration Plugin for the add-ons to work.

## **If my Easy Digital Downloads Store and Wishlist Member are installed on the exact same domain, will I need to purchase the "External Membership Sites Add-Ons Bundle"?**

If both Easy Digital Downloads and Wishlist Member are installed on the exact WordPress installation, you will not need the "External Membership Sites Add-Ons Bundle", only the main plugin - Wishlist Member Easy Digital Downloads Integration Plugin

## **If my Easy Digital Downloads store and Wishlist membership site are located in different sub-domains or files, will I still need to purchase the "External Membership Sites Add-Ons Bundle"?**

Yes, because you have 2 different WordPress installations in 2 different sub-domains, you will need to use the add-on.

## **Can I Purchase More Licenses of the Remote Access Add-On Separately?**

Yes, if you need to integrate multiple membership sites and you need more licenses (each membership site requires a license), you can purchase them separately in this link >> [Purchase Remote Access Add-On](#)

## **It sounds complicated to operate the plugin and add-ons to work with an external membership site, where can I find more information on how to integrate it exactly?**

Actually, it is very simple and easy to install and activate all 3 and make them work seamlessly. The process is very quick and requires only 3 simple steps. You can find all the information in this manual.

### **Does the plugin have any conflicts with other plugins?**

As far as we know, the plugin does not conflict with any other plugin. Wishlist Member Easy Digital Downloads Integration Plugin keeps a very strict code method so the chances that it's causing any problem are very low. If you have any problems or conflicts, please contact the support department.

### **Does the plugin integrate with every membership site platform?**

No, Wishlist Member Easy Digital Downloads Integration Plugin is a Wishlist Member dedicated plugin.

### **I have more questions and I haven't found my answers, how can I contact you?**

If you haven't found your answers in the product's page and in the guide, please contact [our support team](#) and we will get back to you shortly
